A WEDDING BANQUET TO REMEMBER

FEAST & CELEBRATE

The 800 year-old medieval barn forms the backdrop to your wedding feast where up to 150 guests can dine in comfort. This atmospheric space was recently converted and also contains a cocktail bar and bespoke club room with state of the art sound and lighting.

If you prefer a more intimate setting 18 guests can dine at Sandon Manor in the 16th century dining room.

Sandon Manor works closely with a selection of outstanding local caterers inspired by local produce and seasonal menus. Catering can be provided outside or inside depending on your preference and the weather.
